

2017-2018

ALL IN
Romans 8:31-39

Good afternoon,

Attached is the flyer that hopefully most of you saw in the parish bulletin when you went to Mass this past weekend. It details the beginning of the year dates and times for curriculum night and start dates/times, etc.

Please look on the school website for your school supply list - but for your ease, it is also attached to this e-mail.

Check the website frequently for information about what is happening at Saint Charles. You can now go on to Gradelink to see what homeroom your child is in for next year.

Mrs. O'Gorman does not have all the re-registrations for Extended Day Care for this upcoming school year. Just because your child attended last year does not mean that you are automatically registered for this year. Also, if there is any balance due from last year, your child is not permitted to attend until that balance is zero. Please e-mail Mrs. O'Gorman at logorman@saintcharlesschool.org to make sure you have your child registered for Extended Day Care.

Thanks so much to the Ziegler family for organizing a very successful uniform exchange. It takes quite a bit of time to organize all those clothes in addition to all the hours of hosting the actual exchange. I hear there may be another one in October.

Finally, there is an open position for an aide for a fifth grade student. It is all day, every day. If you are interested in knowing more and are interested in this commitment, e-mail me at eupdegrove@saintcharlesschool.org as soon as possible. Of course all applicants will be considered, but Saint Charles is not the employer. The employer is a third party contractor.

I do not want to overwhelm you with information, so that will be all for today. Thanks for reading.

Eileen Updegrove
Principal
