NOVEMBER IS BONUS PIE MONTH!

Market Day Pies come frozen and ready to bake or just de-thaw. Pies are available in many flavors including fruit and cream pies, allowing you to have ready-made dessert in your freezer for the holidays or as a wonderful fall treat for your family.

If St. Charles total pie sales for the month of November are over 100 pies, we will receive a 30% profit, so PLEASE consider helping our school by ordering a pie with your November order or asking family and friends to order one.

The classroom with the most "PIE SALES" in November will earn a free incentive.

PLEASE INCLUDE YOUR CHILDREN'S NAMES & ROOM NUMBERS ON YOUR PAPER ORDER FORMS OR EMAIL sweetjackieo@aol.com to notify us that you ordered a pie online to ensure your child's classroom gets credit for the pie sale.

Online benefits:

***You can place your order online and update the order as often as you want before the sales closing date on November 1, 2014 at 11:00 p.m., to take advantage of the weekly sale items or make additions to your order.**
