

2017-2018

ALL IN
Romans 8:31-39

Good afternoon!

BRRRRR – it is getting chilly and your kids WILL be standing outside in the morning and going outside for recess. The resource room is for intervention, making up tests, etc. and will not be for kids who just want to stay inside. As a general guide, we take the kids out when the temperature is about 22 degrees or warmer. The amount of sun and the wind chill are factors as well. It is important to have your children dress appropriately to be outside for 20 minutes at recess. This means that a hoodie might not be enough. Thanks for being smart about dressing for the weather.

Speaking of cold, there is still time to join Ski Club! - We are quickly approaching our first registration deadline on **November 20th**! This deadline is **ONLY** for those members that would like to use their Value Passes over Holiday Break. ***Club members **CANNOT** use their Club Card prior to the club's start date in January!***

Congratulations – to Elizabeth Gorski who was asked to speak at the LifeWorks Ohio Choose Life fundraiser last Friday. Liz gave a wonderful speech about how the program impacted her to a crowd of over 280 people, including Bishop Roger Gries. We are so proud of Liz, she represented Saint Charles well.

Many thanks – to Kelly Morris who took on the job of Craft Fair raffle baskets at the last minute. They were wonderful – what was in that mystery basket??? Rumor has it she is coordinating the baskets for Fish Fry too. Think about what kind of basket you can donate.

Sixth Grade Wonder Book Club – will meet on Monday, November 13 until 3:40pm.

Good luck to our Classroom of Champions Team – who will compete at Saint Edward High School this Wednesday. Our team is Connor Sisson, Andrew Soos, and Jeffrey Ungvarsky with seventh grade alternates Chris Vance, Sophia Franks, Nick Ungvarsky and Zach Cuglewski.

Parents of second and eighth graders – are reminded that tomorrow (Nov. 13) is the third of the four required parent meetings in preparation for sacraments. See you at 7pm in the gym. Also remember that all forms, fees, and sponsor certificates (grade 8) are due on Monday, November 20.

Normandy High School Shadow Day – is again this Friday. Parents need to make arrangements with Normandy early this week. You can't wait until the day before to call them.

Pokemon Club – meets after school until 4pm this Friday.

Used book collection – has begun and will go until November 17.

Campbells' Labels for Education is coming to an end – All labels need to be sent in by Christmas break. Thanks for your help and support.

We could also use – letter size envelopes. If you are affiliated with a company that has moved or changed logo or anything, we would love for a donation of envelopes.

Peace and joy to all –
Eileen M. Updegrove
