**Campbells' Labels for Education is coming to an end** – All labels need to be sent in by Christmas break. Thanks for your help and support.

**Ordering gifts online??** – We had Black Friday and Small Business Saturday. Tomorrow is Cyber Monday and attached is information about a new way that our school can earn money without you spending anything more than you normally would when ordering online. It is called schoolstore.com. Just click on “find school” on the right hand side, type in Saint Charles, Parma, OH and then continue. Choose “merchants” on the top and then shop. You can see the percentage that is given back to our school. You will notice a student prize page – we will send home more information about that in January. There is no requirement to participate, but every little bit helps and if you or family members are going to order from these merchants anyhow, why not give it a try? Send this information to your friends and family!

**Give Catholic** – We are also participating in #weGiveCatholic on Giving Tuesday. Here is the website: <https://www.wegivecatholic.org/organizations/saint-charles-borromeo-parish-school>  
Thank you for considering our school when you are choosing your charity.

Peace and Joy -
