Good morning! Daylight saving time has ended – did you turn your clocks back one hour?

We received this note from Sister Denise Marie:

Dear St. Charles Parents and Students,

I am writing to thank you for your kindness. I was quite touched that the money collected from dress down day a few weeks ago was for the *Franciscans of the Little Way*, a group which I began a few years ago to help young women who are feeling "called" to religious life and striving to find the vocational path God desires for them. Your donations brought tears to my eyes and will help us with our financial needs. Please remember us in your prayers. The Franciscans of the Little Way pray for you in our chapel.

Much love and gratitude, Sr. Denise Marie

Many thanks – to the wonderful people who made yesterday's Craft Fair a success. There are many who helped out and I can't name them all now, but do want to thank Tracy Callihan for chairing the event – working for months to get vendors and doing so much other behind the scenes work! Also, here's a shout out to Jackie McCarthy who organized the delicious bake sale. Thanks to all who sent in the bakery.
