

2017-2018

ALL IN
Romans 8:31-39

Good evening,

The February calendar is attached. Mr. McKay will get it on the website tomorrow. Check out lots of great pictures on our website too - Family Fun Night, Open House, Trash Talkers.

All families are invited to come to the Game of Games this Friday. We are going to start at 1:00pm instead of 1:15pm as originally planned.

Before Christmas I sent a survey and two of the questions were about Saint Baldrick's head-shaving and Kickball. Overwhelmingly you chose kickball over head-shaving - IF you had to decide. About 20 people indicated they would shave their heads. Many people stated they would financially support a head-shaving fundraiser and I thank you for that. While I absolutely know that Saint Baldrick's is a great organization and has funded significant research, I also know that I do not have the time that it takes to plan such a fundraiser right now, particularly if only 20 individuals were planning to have their heads shaved. I would want to give the fundraiser my best effort and knowing how much work it is and how much extra time I don't have right now, I think we need to just have **the best** Kickball Games we have ever had! Save the money you would have given to head shaving and donate it to kickball. I'll get the dates for May games to you soon. Thanks for understanding!

Finally, have you signed up to volunteer for Fish Fry? If you can help out, please contact Pam Peloso at ppeloso22@gmail.com.

Have a great night!

Eileen M. Updegrove
