

2017-2018

ALL IN
Romans 8:31-39

Greetings,

Send in those Box Tops and Tyson A+ for Education labels – we need about 700 more Box Tops by March 14 to get that dress down day on March 21. Ask your family members to save as well. We have great parishioners who save for us all the time.

A Wrinkle in Time Book Club – will meet after school on Monday.

This just in . . . Some of our **boys scouts** received their awards this morning. The LIGHT OF CHRIST award: Jordan Gould, Patrick Franks, Benny Hallock, Jude Horsburgh, Brandon Morris, and Christopher Pajk. The PARVULI DEI award: Connor Jackson, Sean Marko, Nick Taranto, Austin Tohati, and Brayden Tohati. Congratulations boys! Keep up the Christian ways!

Speaking of being Christian and thinking of others – Our own Nolan Ignacio has signed up to be a shavee in the St Baldrick's event taking place on March 17 at Force Indoor Sports in Rocky River. He has wanted to do this for the past few years in memory of Emily and timing finally worked out for him to participate. Here is the link to his page: [Nolan I. | A St. Baldrick's Participant](#)

Did you know?? – That the younger brother of sixth grader, Karissa Kuzmickas-Williams, is currently in a battle against acute lymphoblastic leukemia? He was diagnosed at 13 months old and is now three years old. His name is Stanley Kuzmickas Feeney and he is a St. Baldrick's hero. His family is going to host a head-shaving event in September of this year. Those who were interested in being a part of an event if we had it here, let's throw all our support into this event. Here is a link to his story and his page: <https://www.stbaldricks.org/hero-funds/stanleyfeeney/> He is a part of our Saint Charles family!

Do you want a chance to win \$414/month for ten years?! – The Knights of Columbus Super Cash Bonanza tickets went home to everybody last week. All tickets and money due back by May 2. Drawing is May 19.

In response to yet another school shooting – we will participate in the National School Walkout on March 14 at 10am. There is nothing controversial about students leaving school to go to the church and have a 17-minute prayer service. Of course we oppose school violence in all its forms. Parents are always welcome to our prayer services and assemblies and certainly, Mass every Friday at 8:30am.

We are as prepared as we can be – for situations that involve a stranger in our buildings. Teachers have received training in ALICE. Depending on the situation, they will either barricade the classroom door or evacuate students to another building. We review scenarios periodically. We will have another practice soon. I will let parents know when the time draws closer. If you have any questions about our emergency operations plan, please contact me and let me know. Due to the sensitivity of the information, the plan is not something we share publicly. Every situation is fluid so the discussion is ongoing and we have contact with first responders through the school office.

Enjoy the beautiful day –
