

2018-2019

Mission Possible: Holiness

From Gaudete Et Exsultate (Rejoice and Be Glad) - Pope Francis I

January 6, 2019

Good Sunday Morning - Happy New Year and Welcome Back! This week eases us into 2019.

MAP Testing begins this week - we need your children to be in school these next two weeks so that they do not need to make up these benchmark tests. Hopefully you took care of necessary appointments these past two weeks. Students need to get plenty of sleep (take away those video games at least an hour before bed) and a healthy breakfast. Also, a positive growth mindset goes a long way with testing. Thanks for cooperating with these helpful hints to help your children to do their best.

Scrabble Club - will meet on Wednesday from 2:40-3:30pm. Thanks for picking up your children on time.

PTU will have a business meeting - on Wednesday at 7pm in Lower Parish Hall.

Stay tuned for information about the PTU Uniform Exchange - which was scheduled for Wednesday.

The junior high dance - is on Friday from 7:30-10pm at Saint Thomas More.

Sunday, January 13 is the Padua Elementary Art Show - and all are invited to come to the awards ceremony at 1:00pm. The show is from 1-3pm at Padua.

All girls in grades 4-7 are invited - to CYO night at Padua on Saturday, January 19 for the JV and Varsity girls' basketball games. JV starts at 5:30pm, Varsity at 7pm. Girls will receive a mini basketball that can be signed by the varsity players during the JV halftime. They will be announced to come to the court during the Varsity halftime. Girls will receive pizza and pop too. Sounds like a fun night out with your daughters.

However... January 19 is the Saint Charles Night at the Races - which is a major fundraiser for our own CYO sports boosters.

The January calendar is attached. There are a few items that might be added, but be sure to note the following:

Catholic Schools Week Open House is Sunday, January 27 from 11:00am-1:30pm. Invite friends and neighbors to see our fantastic school!

Peace in the new year!
