

The Talent Show

By Ava Finn

Every year, our wonderful music teacher, Miss Perkins, puts on a spectacular talent show for the school. The talent show always takes place on the last day before Christmas break. There are performances like dancing, singing, card tricks and more! Our talent show is surely a very fun and exciting experience.

Usually, all kids in the fifth through eighth grade are invited to be in the talent show. However, this year was special due to the fact that we opened up this opportunity to the fourth grade. We had a total of twelve acts this year, including our teachers performing their version of the "Twelve Days of Christmas"-it was hilarious!

This talent show is a great opportunity for boys and girls to showcase their incredible ability to perform. This opportunity really helps students feel proud of their abilities and helps them gain confidence. It's so exciting to witness how great the students feel after hearing the cheers from the crowd when they are doing something that they have put so much time and effort into. "It certainly gets me excited to see students performing. I know how hard it is to "put yourself out there" in front of a large crowd. It can be positively terrifying!" said Miss Perkins.

We are very glad that we have Miss Perkins as our music teacher. She has had an incredible impact on the students' confidence. We had such a great talent show this year and can't wait to be a part of talent shows that are yet to come.
